

Response Card Loan Agreement

I, (Student ID #)
have received ResponseCard #..... from the University of Missouri – Rolla, for
use during Fall 2005, in the course(s) I am enrolled in that require the device.

It is my responsibility to take care of this device, bring it to each lecture, and use it for
recording my answers to questions posed by the instructor or his/her substitute.

I understand the device may be used for recording attendance and that my answers may
be graded as part of my final grade. Accordingly, any fraudulent action, such as recording
answers for other students or passing the device to other students to record answers in my
name, is a violation of the University’s Standard of Conduct policy as stated in the UMR
Student Handbook. Specific use of devices, attendance records and grades are specified
by the individual instructor on a course by course basis.

I agree to be responsible for returning the device to the instructor who assigned it to me,
or to the Center for Educational Research and Teaching Innovation (CERTI, Norwood
Hall, Rm 202) before the Final Exam, or if I drop/withdraw from the course. I
understand that a failure to do so could result in a financial hold being placed on my
records.

I agree to report damage or loss of the device loaned to me immediately to the instructor
who issued it. A replacement charge of \$35 may be assessed me for such loss or damage.
