Dear Conference Participant,

On behalf of the Organizing Committee for the ANNIE Conference, we would like to invite you to submit an abstract for the Bioinformatics and Bioengineering Track of the ANNIE 2007 Conference to be held in St. Louis, Missouri on November 11-14, 2007.

The special Track on Bioinformatics and Bioengineering at ANNIE 2007 welcomes broad areas of computational intelligence, artificial intelligence, biology and medicine. Topics include, but are not limited to:

- Genomics
- Proteomics
- Phylogeny and Evolution
- Biological Databases
- DNA Computing
- Developmental Control
- Computational Genomics and Proteomics
- Gene Expression and Microarray Analysis
- Neural Engineering
- 4-D Image and IMRT
- Biomedical Instrumentation
- Medical Imaging
- Pharmaceutical Engineering and Drug Delivery
- Bio-Opsics
- Biомaterials, Tissue and Cellular Engineering
- Biomechanics / Orthopedics
- Physiological Monitoring
- Cardiovascular Biomechanics
- Screen Film Images
- Electronic submission will be available @ March 30, 2007 at www.umr.edu/~annie. Your abstract should be received by April 15, 2007. Please choose the Bioinformatics and Bioengineering Track when submitting your abstract. All papers are peer-reviewed by two referees. The proceedings will be published by ASME Press, and it is anticipated that a special issue of the ANNIE 2007 proceedings will be devoted to full versions of selected papers from this session.

Important deadlines for the ANNIE 2007 Conference:
- April 15, 2007 - Abstract submission
- May 31, 2007 - Paper submission
- June 29, 2007 - Paper acceptance notification
- July 31, 2007 - Camera ready paper submission

Please do not hesitate to contact us at 573-341-6576 or annie@umr.edu if you have any questions. We look forward to seeing you in the beautiful city of St. Louis, the Gateway to the West, next fall with its rich culture of foliages, one-of-a-kind restaurants, sports activities, and the Gateway Arch.

Sincerely,
