

14th International Conference on Difference Equations and Applications

July 21-25 2008

Turkey
Istanbul

FIRST ANNOUNCEMENT

The fourteenth International Conference on Difference Equations and Applications (ICDEA08) will be held in Istanbul, Turkey, July 21—25, 2008. The purpose of the conference is to bring together both experts and novices in the theory and applications of difference equations and discrete dynamical systems. The main theme of the meeting will be dynamic equations on time scales. The plenary speakers will be experts chosen from the many areas of difference equations, broadly defined, and experts on discrete dynamical systems and their interplay with nonlinear science. Contributed talks in any area of difference equations are welcome and will be considered.

ICDEA2008 is organized by Bahçeşehir University. The conference will be held at the Beşiktaş campus in Istanbul. The Organizing Committee consists of M. Ünal, Chair (Istanbul), M. Bohner, Co-Chair (Rolla), O. Çelebi (Istanbul), G. Ladas (Kingston), A. Tiryaki (Ankara), A. Zafer (Ankara). The Scientific Committee consists of M. Bohner, Chair (Rolla), Z. Došlá, Co-Chair (Brno), S. Elaydi (San Antonio), M. Gürses (Ankara), G. Guseinov (Ankara), B. Kaymakçalan (Statesboro), P. Kloeden (Frankfurt), W. Kratz (Ulm), D. Lutz (San Diego), J. Mawhin (Louvaine), D. O'Regan (Galway), A. Peterson (Lincoln), A. Sharkovsky (Kiev), G. Teschl (Vienna). The conference will be held under the auspices of the International Society of Difference Equations (ISDE). The ISDE Advisory Committee consists of K. Nishimura, Chair (Kyoto), A. Ruffing, Co-Chair (Munich), H. Oliveira (Lisbon), R. Sacker (Los Angeles). For more information and details about the conference please contact Professor Mehmet Ünal at munal@bahcesehir.edu.tr, Professor Martin Bohner at bohner@umr.edu, or the conference website at <http://icdea.bahcesehir.edu.tr>
