6a. Directions:
Before you make your graph, sort your collected data. Indicate in the table below, the number of students you have with the given major & birthdate. (If no one in your group has that major/birthday combination, then leave the cell blank.)

<table>

<tr>
<th>Jan</th>
<th>Feb</th>
<th>Mar</th>
<th>Apr</th>
<th>May</th>
<th>Jun</th>
<th>Jul</th>
<th>Aug</th>
<th>Sep</th>
<th>Oct</th>
<th>Nov</th>
<th>Dec</th>
</tr>
</thead>
</table>

Key for majors:
Create your own color / pattern key for the majors that you will be graphing for your section. Show your key in the boxes below.

Create your graph on page 13 of the handout. All datasheets will need to be submitted along with pages 9-14 from the handout.
