# 2007-2008 Election Packet

## **Qualifications of Officers**

All persons being considered for an office on the CEB shall meet the following qualifications:

- A. Shall be a good financially standing MST-NSBE student member with a membership application on file at the National Headquarters.
- B. Shall be a full-time Missouri University of Science & Technology student.
- C. Shall be a student in good academic standing at the Missouri University of Science & Technology.
- D. Shall expect to be a full-time Missouri University of Science & Technology student during the elected term.
- E. Election of officers shall be held at the last meeting in March with new officers assuming their duties at the first meeting in August of the next semester.
- F. All candidates for an office shall submit a candidate application packet.

Duties of the office of Programs Chair:

**Programs Chairperson**

- a) Shall work with the chapter president and vice-president to develop uniform programs in keeping with the goals of the Society.
- b) Shall be responsible for the implementation of chapter programs as related to Pre-College Initiative (PCI), Academic Excellence, Technical Development, and Professional Development.
- c) Shall submit a monthly report to the Vice-President.
- d) Shall produce an official transition report at the close of the term of office.

Duties of the committees you oversee:

**Academic Excellence**

- a) Shall encourage the membership to strive for excellence academically.
- b) Shall be responsible for notifying the membership of available scholarships.
- c) Shall establish MST-NSBE scholarships when funds are available.

**Technical Development**

- a) Shall encourage the membership to become aware of the opportunities available in the engineering and science fields.
- b) Shall implement programs which challenge members to relate their academic skills to realistic situations in the professional world.

**Professional Development**

- a) Shall encourage members to succeed professionally in the fields of engineering and science.
