<u>Assignment</u>: Complete a two-page book report on a book from the approved list.

Here are suggested questions that should be addressed in your book report:

Initial Impression
- Why did you initially select this book among the possible choices?
- What format (i.e., book or audio) did you use?
- Did you find the book easy or challenging to read?

Book Background
- Who are the authors of the book?
- What is their educational background?
- What is their practical experience in the field in which they have written?
- What other books have the written?
- Why do you think the author wrote this book?
- Describe any additional information on these authors that you can locate on the Internet.

Book Content
- What was the story about?
- What information did you find most interesting to learn about in the book?
- What laws did you learn about by reading this book?
- What in the book did you find the most unbelievable or shocking?

Your Conclusion
- What were you overall feelings of the book?
- Did you find any part of the book confusing or hard to understand?
- Did you disagree with anything that the author said or conclusions that the author made?
- Did you find the book easy to read?
- Would you recommend this book to a friend?
- Would you read another book by the same author?
