4.04 A member who becomes delinquent in any obligation(s) to the chapter or who displays conduct in violation of National, District, or Chapter policies may be placed on probation. The chapter Executive Committee shall consult with the Chapter Sponsor before placing a member on probation. A member may be placed on probation by a majority vote of the chapter’s Executive Committee. A member of the Executive Committee shall inform the member of the probationary status and prescribe the terms and conditions (as prescribed by the Executive Committee) necessary to remove the probationary status. The Chapter Sponsor and District Counselor shall be notified within ten (10) days of any disciplinary action. A member on probation shall not have a vote. Prior to a vote to suspend a member, the Chapter Sponsor, District Counselor, and said member shall be informed in writing of the reasons for the disciplinary action. A vote of three-fourths (3/4) of the chapter’s total eligible voting membership shall be required to place or lift a suspension. A suspended member shall have no active membership privileges. Once a member has been suspended, the member shall be notified in writing of the obligations to be fulfilled and a specified time period to fulfill them. The District Counselor and the National Headquarters must be notified within ten (10) days of the placement and lifting of any suspension.

A suspended member who does not successfully meet the obligations specified pursuant to Section 4.05, or any member who repeatedly violates the National, District, or local Chapter policies or procedures, may be expelled. In order to expel a member, a vote of three-fourths (3/4) of the total eligible voting membership is required. At least one (1) week prior to the expulsion hearing, the member, Chapter Sponsor, District Counselor, and National Headquarters shall be notified of the reason for the disciplinary action. The vote on expulsion shall be by secret ballot and the member will be informed of the vote totals. No. 5: Membership

Chapter membership shall be of seven (7) types: Active, Alumni, Associate, Conditional, Honorary, Inactive, and Life. Membership shall not be recognized by the Chapter until all initiation fees have been paid and the initiation, as prescribed by ritual, completed.

Each Active member of Tau Beta Sigma shall be a student of UMR, actively participating in at least one university band program per semester; and shall have paid their membership dues for the year. Active members are eligible to hold office, serve on committees, and take an active part in all business and social affairs of the Chapter. Individual students may retain Active status for a period not to exceed a semester if not a member of a band, upon majority vote by the Chapter, approval by the Chapter Sponsor, and approval by National Headquarters.

Alumni members shall be those Active members in good standing with the local chapter who have completed their education or have terminated their collegiate affiliation. An Alumni member may serve as a non-voting member of any active chapter committee.

Associate membership to Delta Xi shall be granted to members of Kappa Kappa Psi who transfer to the University of Missouri-Rolla, if the University no longer has an Active Kappa Kappa Psi chapter, and if said members meet the requirements of the University of Missouri-Rolla’s present transfer policy. Before becoming eligible for Associate membership, the potential Associate must be educated in the Ritual and traditions of Tau Beta Sigma. Associate members may vote and hold office. Any exceptions must be approved by the National Council.

Conditional status in the Sorority may be maintained for year by a formerly Active member in good standing. Conditional status must be requested in writing from the chapter when conflicts arise because of work or class schedules and thus prevent the student from being a member of any approved bands. Members who meet these criteria shall be granted Conditional status upon payment of the current year’s membership dues. After one year, if the member has not claimed Active, Alumni, or Life membership, he/she will be classified as inactive with the chapter.

Honorary members of Tau Beta Sigma shall not necessarily be regularly enrolled in the University nor possess any qualification as musicians. They must be recognized as outstanding in their field of endeavor or shall have performed outstanding service for the University Bands or Tau Beta Sigma. Undergraduates are ineligible for this recognition.

Former Active members who are enrolled in school but do not pay membership dues will be classified as inactive. Inactive members are not considered in good standing, and therefore have no active membership privileges.
Alumni or senior members (Active members with University status of senior), upon payment of the Life membership fee together with the submission of an application to the National Headquarters, shall be entitled to Life membership privileges in the Sorority providing their addresses are available at the National Headquarters. Purchase of a Life membership by a senior member does not exempt a person from payment of annual membership dues during the senior year. A Life member shall have voting privileges provided he/she has paid the annual active membership dues. These dues include national and local dues for senior members or local dues only for those in graduate school.

Only Active and Associate members shall have voting privileges.

The Director of Bands or her/his designated representative shall be the Chapter Sponsor.

No. 6: Membership Education

Before being eligible for Active membership, a candidate must complete a Membership Education Program as prescribed by the Chapter. Prospective membership in Tau Beta Sigma may be offered to any active participant of any university band or an active participant of a university band the preceding Winter Semester. They shall possess qualities of leadership and good character, and shall not be on academic probation at the time of membership education.

A positive seventy-five percent (75%) vote by the total voting membership is required to extend an invitation to become a prospective member of Tau Beta Sigma. Vote shall be by secret ballot.

Prospective members shall be required to satisfactorily complete a prospective member project, a prospective member fundraiser, a prospective member plaque, all prospective member quizzes, and interviews, as detailed in the Delta Xi Active Manual, in order to be eligible for initiation. The minimum score on the prospective member quizzes shall be eighty percent (80%).

A prospective member who is ineligible for initiation will be allowed, upon approval by majority vote, to become a prospective member during the subsequent prospective membership period.

No. 7: Finances

In the event a member owes payment and does not have sufficient funds. A promissory note, to be signed by the President, Treasurer, and the member involved, can be issued.

If the promissory note has not been fully paid by the agreed time, one extension may be granted. If the funds have not been paid by the end of the extension, she/he will become suspended until such time payment is made.
