

Dear Potential Corporate Sponsor:

The University of Missouri-Rolla Chapter of American Institute of Chemical Engineers (AIChE) has an opportunity for your corporation to showcase itself to some of the most promising chemical engineering students in the Midwest. From March 30-April 1, the University of Missouri-Rolla will be hosting the 2007 AIChE Mid America Regional Conference. In order to make this conference possible, we need your financial support.

The conference is an event where industry representatives market their companies, students participate in engineering competitions, and engineers network with students and professors. Students compete head-to-head in the traditional Chem-E Car Competition and present their research in a paper competition. Other conference events include professional development workshops, industry exhibits, and a keynote speaker at the concluding awards banquet.

Four sponsorship levels will be available to companies interested in supporting the 2007 AIChE Mid America Regional Conference. Providing sponsorship for the AIChE Conference can be declared a tax-deductible donation to the University of Missouri-Rolla. The benefits are as follows:

	T-Shirts	Flyers/Handouts	Banners/Posters	Program Booklet
Platinum \$2000				
Gold \$1000				
Silver \$500				
Bronze \$250				

We are committed to making this year's conference stand out from those in the past. You can support our conference by making a general contribution as listed above. Please complete the sponsorship form on reverse side and return it by January 15, 2006.

If you have any questions please contact me by email at ezra@umr.edu. Help us make this conference great!

Best regards,

Ezra Czuba
AIChE Mid America Regional Conference, Fundraising Chair
