E-Board Meeting

- Megan and Michelle will attend the Alcohol Awareness Seminar for organization compliance September 10th.
- Buchheit and Natalie have updated the organization roster for compliance.
- Megan had filled out and gotten the correct signatures for the organization compliance form.
- The Pink Ladies 5K walk/run was brought up as a possible service project/pledge project. Since it costs money to do, it cannot be required...however; Michelle said anyone could sign up as a volunteer. We will pitch it in the student group and poll interest.
- Natalie will e-mail Paul Anderson, Keramos National Secretary, about the date to state our delegates for Convention. Buchheit has stated that they changed last year.
- We kicked around the idea of having new fundraiser for the organization.
- Dr. Dogan expressed a concern to keep 142 very tidy and organized throughout the lab tours.
- Megan has created a sign-up sheet for the Campus Showcase on Thursday Sept. 4th.
- The following dates were set as guidelines for the semester activities:
 - Week of Sept. 22nd: Initiations will go out for new Keramos members
 - October 16th: Pledge Quiz and Pizza Dinner
 - November 13th: Keramos Initiation and Dinner
 - December 1st: Senior Farewell Dinner – Provided no senior have conflicts

This calendar can be downloading from the Keramos webpage at:

<http://web.umn.edu/~keramos/Keramos.Calendar.htm>

This meeting was called to order by Megan at 2:35pm and adjourned at 3:15pm. Megan, Michelle, Buchheit, Natalie, Travis, and Dr. Dogan were present for the entire meeting. Bill Maass joined us for the date selection.

General Membership Meeting

- In the absence of Andrew Selvy, ACerS President, both meetings were ran by Megan Hammon, Keramos President.
- The Southwest Section Award and Scholarship for ACerS will be due November 15th to Denise, she her for details.
- The phone list went around for corrects/additions. The phone list and calendar will be on the Keramos webpage next week.
- Michelle brought up the Pink Ladies 5K Run/Walk and it was commented that all volunteer positions have been filled...the E-Board will re-visit this topic next week.
- Sarah Hall brought up and polled the members on whether a BBQ or a Float Trip would be a better event that more of the younger members would attend. It was resolved that if we did do a Float Trip the canoe's would be rented from UMR-OAR over a floating company to conserve money. Most people agreed on a float trip. Saturday, Sept. 13th was brought up for a good time to have the trip, however, this conflicts with the Pink Ladies 5K Walk/Run and Gamma Beta Sigma's UMR Service Day. We discussed having the trip on Sunday.
- Dues for Keramos are \$12.50/semester and can be paid to Travis.
- The Campus Showcase sign-up is on Craig's door. The shifts are only one hour each. Please sign up. The Showcase is Thursday Sept. 4th on the Puck.

This meeting was called to order at 3:55pm and adjourned at 4:15pm by Megan.

These minutes were taken and typed by Natalie, Keramos Co-Secretary.
