B. cepacia policy: Because of risks to people with CF, individuals with a confirmed positive sputum culture for *Burkholderia cepacia* complex shall not attend this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there still might be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. For alternative ways to participate and for information about this policy, please contact the CF Foundation at (800) FIGHT-CF or visit our Web site at ww

about cystic fibrosis

Cystic fibrosis (CF) is a life-threatening genetic disease, which affects the lungs and digestive system. Despite the tremendous progress being made in the field of CF research, we continue to lose precious lives to this disease. The money raised from GREAT STRIDES will help support vital CF science. After all, money buys science and science buys life!

Scientists, supported by the Cystic Fibrosis Foundation, are writing a remarkable medical success story. CF researchers are quickly translating what they learn about the CF gene and CF cells in the laboratory into promising new treatments. Based on their success, landmark gene therapy studies and clinical trials on new drug treatments are now underway.

fund-raising tips

- Recruit others to participate in the event with you!
- Remember your \$150 fund-raising goal!
- Ask for sponsor donations face-to-face!
- Ask your family to help you collect donations!
- If appropriate, ask your company for matching funds!

CF scientific advances happen because of your support. Our challenge is to raise the dollars through GREAT STRIDES to fund landmark CF research. Every sponsor you sign up and every step you take is important in saving the life of a person who has CF. The dollars you raise through GREAT STRIDES will keep critical CF research moving forward.

Be part of a winning team!
Join us for a day of camaraderie, fun and festivities as we walk 6.2 miles (10K) to cure cystic fibrosis (CF).

3 Easy Steps to Help Find a Cure

Get Sponsors! – Signing up sponsors is simple. These days, people are uniting to help others – all you have to do is ask. Take your sponsor form everywhere you go: to the office, your school, the gym, your place of worship, and to your neighbors. Tell people that you are taking GREAT STRIDES for CF and your goal is to raise at least \$150 for life-saving research, care and education.

Collect from Sponsors! – This is a prepaid walk, so please collect all of your donations prior to walk day. Ask your employer to provide a matching-gift donation. Sponsors can make their tax-deductible checks payable to the Cystic Fibrosis Foundation (CFF) and their canceled check shall serve as a receipt.

Walk Day! – Go to the check-in table (it opens one hour before the walk begins) and turn in your donations and sponsor form. There are great prizes you can earn and everyone raising at least \$100 will receive an official TEAM CF T-shirt! Rain or shine – we will walk. And as always, safety is our first concern.

be a part of the team

The Cystic Fibrosis Foundation invites you to team up with people in your community and tens of thousands of others across the country for its annual walk event, GREAT STRIDES: Taking Steps to Cure Cystic Fibrosis. GREAT STRIDES provides you, your friends, your family, school and/or your company with the opportunity to make a difference in the lives of those with cystic fibrosis (CF).

When you participate in GREAT STRIDES, you can be sure that your money will be used wisely and efficiently. More than 90 cents of every dollar donated is available to support vital CF programs, including research, patient services, and education. So, come enjoy a day of fun and fund-raising and help add tomorrows every day to the lives of people with CF!
